

2012 Blueprint for Change

Mission
 To improve the lives of children, youth, and families in St. Louis County by strategically investing in the creation and maintenance of an integrated system of care that delivers effective and quality mental health and substance abuse services.

Goals

1.	2.	3.	4.
Design and implement a social investment approach that helps the Children's Service Fund achieve its mission.	Drive down the prevalence of community-wide indicators related to children and youth.	Design, implement, and maintain an Integrated Service System (ISS).	Develop strategic partnerships with other agencies and funders, creating alliances to ensure that children and youth receive needed services that this Fund cannot provide.

Activities
 Strategic grantee selection
 Financial support
 Nonfinancial capacity building and technical support

Outcomes

Grantees	Participants	Community-Wide	Aggregated Investment
Improved service delivery of best practices Improved organizational performance Decreased social investment risk Increased #/% achieving outcomes	Improved functioning Improved well-being Free of symptom expression	<i>Decreased prevalence of:</i> Child abuse and neglect Youth homelessness Out of home placements Youth substance abuse Youth suicide Teen pregnancy	Decreased social investment risk Increased positive outcomes Decreased service gap Increased effective service capacity
